Program Information

The RBC Centre Arena is Nova Scotia's second 4 pad arena and will become one of Atlantic Canada's premiere sport facilities. The RBC Centre offers a variety of programs for everyone in the community to enjoy the use of the facility. Some of the programs we offer are:

- ◆ Parent & Tot Skate
- ◆ Adult & Senior Skate
- ◆ Men's, Women's and Men's Over 60 Shinnies
- ◆ Public Skating

Parent & Tot Skate

Do you have a budding hockey player on your hands, or maybe a figure skater in the making? Join us daily for our Parent & Tot skate. The rink will be divided in half to allow for tots using sticks and pucks. **All children must be accompanied by an adult on the ice.**

On school Professional Development (PD) days and holidays the 2 hours will be divided into age

groups. The first hour will be designated for parents and tots up to the age of 5 years old. The second hour of the skate will be designated for parents and youth between the ages of 6 and 10 years old.

Men's & Women's Shinny

The RBC Centre offers a men's noon hour shinny, a 60+ shinny and an evening shinny program for the spring and summer.

Shinny hockey is pick-up, recreational hockey with no referees and is a great way to meet others who play for the love of the game.

All programs are "first come, first served", we only allow a maximum of 20 skaters, must be 15 years of age or older and 2 goalies are accepted for the 1.5 hour time slots.

Full gear is required, there is no contact, and please bring a light AND a dark colored jersey for team selection.

Goalies can call Guest Services (902-444-4723) the day of, to book their spot.
